Peer Mentorship Program: Sign Up Now

Dear 1L/2L Students:

Welcome! As you've probably figured out by now, law school is a unique challenge, but you've totally got this.

If things are feeling a bit overwhelming as you begin a new school year, or if you'd just like to know there is someone you can talk freely to about this whole law school experience, SLOCL Student Bar Association has a team of 3L and 4L students ready and eager to connect with you through a new Peer Mentorship Program.

Peer mentors have been through this already and are there for you!

Peer mentors and mentees meet at least once, either in person or via phone or video chat, to get to know each other. After that, your Peer Mentor will be available via text, phone, or email to answer questions, offer suggestions based on their own experiences, or simply listen to what you're going through.

If you'd like to be matched with a Peer Mentor for 2022/23, please complete the attached commitment letter and email it to your current SLOCBA Student Representative.

Thank you!
